YOU cant perfect your family. YOUR SPOUSE cant perfect your family. But there is hope...GOD CAN! Join Amanda on her journey to find contentment. She takes you through her personal testimony and reveals the steps God taught her that freed her from insecurity, strife, distrust, resentment, and chaos in her marriage. She shares with you how to enjoy your family while waiting on God to restore, transform, and perfect you, your spouse, and your children. This book is a guide to a total FAMILY makeover. As a mom of four children ages one to ten, Amanda understands the struggles of raising a family today. She shares her struggles along with testimonies and needs of other families. And she helps you apply true Biblical solutions to the problems that marriages and families encounter today. God only needs ONE willing heart to change a whole family. Let that heart be yours! The LORD will perfect that which concerns me: your mercy, O LORD, endures forever: forsake not the works of your own hands. -Psalm 138:8, AKJV ABOUT THE AUTHOR: Amanda Beth has been married for fifteen years and has experienced a transformation in her life and marriage since she surrendered her heart to Christ ten years ago.
