

Print Style: Hand-Printed Patterns for Home Decoration

Make unique hand-painted fabrics, wall coverings, cards, wrapping paper, and bedspreads. Try printing fishes, blocks, trees, soldiers, and much more with a potato. Illustrated instructions take you through each step, from initial design to color selection, to the actual print. More advanced techniques of block (lino-cut) printing, resist printing, silk-screening, and mixed styles give alternate methods to explore. A myriad of templates make it easy to master the motifs and inspire you to create your own, for a stamp of originality around your home.
