

Tangerine Erotica Presents Black Velvet

After the death of her beloved father, Duessa fled the luxurious, family mansion just outside of Boston. Upon her return three years later, she accidentally discovers that Jackson and Luc, two of the estates key employees, are none too happy with her. When she arranges a private meeting to discuss the matter, she insists on being punished for disappearing without a word to her former childhood companions. The surprised Jackson and Luc are happy to oblige. Contains menage sex with one woman and two men and moderate whipping. Approximately 4400 words.
