

Adult Coloring Book: Strip Them! Fantasy Boyfriends!

Let your colored pencil caress the hard muscular bodies of these handsome Fantasy Boyfriends. As your pencil starts to color the little hearts on his boxers you swear hes started to blush. You linger a little on other parts of his body with your pencil while sneaking furtive glances at your bedroom door - poke, poke, poke - you dont want to get caught at what youre doing. Maybe if youre lucky, hell leap off the page and keep you company. Stress? Loneliness? What were those again? Poke.

Authors Note: This book contains 12 coloring pages. There are 6 Fantasy Boyfriends that you get to strip and color. The back of each coloring page is a blank page to prevent bleed-through for those using markers. Enjoy!
