

Only One Love (Long Line of Love, Book Three)

Long Line of Love, Book Three Peyton Grayhawk has spent his entire life feeling as if he'd lost the only woman he can ever love. He can't quite remember her, or the previous life they shared, but he's certain they'll meet again. In the meantime, Peyton has other problems. His quasi-little brother, Cameron, is involved with a woman seventeen years his senior. Peyton's determined to extricate Cameron from her sexual clutches. His decision to seduce the woman will stir long-dormant memories and send his entire family into crisis mode. Despite her torrid, highly enjoyable physical relationship with Cameron Graydove, Avantae Sovern feels a need to end their affair so Cam can meet someone his own age and she can be free to find the love of her life. She knows her long-lost love is somewhere out there, waiting. One look at Peyton Grayhawk and Avantae knows he's the one. The couple has spent an eternity waiting for another chance at happiness. But by loving Avantae, Peyton has broken a Grayhawk cardinal rule that could force him to choose between family or his one true love.
