

The Gresham County Boxed Set (BBW Erotic Romance): Bad Girl Lessons & Bad Boy Secrets

Two exciting novellas in one collection. **THE GRESHAM COUNTY BOXED SET BAD GIRL LESSONS** by Seraphina Donavan Evangeline Harper has been everyone's good girl. But after being dumped at the altar by her fiancé, Evie decides it's time to stop playing by the rules and have some fun. There's only one problem... she doesn't know how. But one of her oldest friends, Jackson Cope, is just the man to teach her. Hotter than a Georgia tent revival in July, Jackson has had a starring role in every erotic fantasy Evie has ever had. Can she convince the local bad boy to help transform her from a slightly pudgy, former debutante into a wanton, sex kitten? Jackson's been secretly in love with Evie since they were kids, but she was always off-limits to the likes of him. Now she's offering him everything he's ever wanted, but only as friends with benefits. Planning to seduce her into his life on a permanent basis, he starts out with hot, steamy lessons on how to walk on the wild side. When Evie's former fiancé shows up, trying to woo her and her trust fund back to save his sorry hide from the Dixie Mafia, it's up to Jackson to protect her from danger. But who will protect him from a broken heart? **BAD BOY SECRETS** by Seraphina Donavan Reed Harrison has always played by the rules, at least in public. A decorated soldier turned small town attorney, he's a pillar of Gresham County. But he's also a man with dark, secret desires. No one sparks those desires more than curvy, confident Cass Blakely. Cass has lived her life by one motto: Take no crap off anyone. She's always bucked authority and thumbed her nose at the people of Gresham County who looked down on her. But Reed is different. He grew up just like she did, and he's turned it all around. Still, the sparks fly between them, and no one has ever issued the kinds of orders to Cass that he does. Orders she's more than eager to comply with. With the

wedding of their best friends, Jackson and Evie, throwing them together constantly, the combustion between them is inevitable. But not everyone in town wants them to have a happy ending.
