

## 2012 Aerials Domberger Super Poster Calendar (English, German, French, Italian, Spanish and Dutch Edition)

If you're a fan of the aerial views often found in satellite imagery you'll surely enjoy the stunning beauty of these Aerials from master photographer and world traveler Hans Strand. Taken from unimaginable heights and perspectives, this calendar will be a favorite of everyone who prefers to have an overview of everything, month by month. Monthly calendar at the bottom of each image provides a discreet date reference throughout the year without detracting at all from the image display about it.
