

Wireless Communication and Network:Proceedings of 2015 International Workshop on Wireless Communication and Network (IWWCN2015)

This book is a collection of all papers presented at the 2015 International Workshop on Wireless Communication and Network (IWWCN 2015), which was held on August 21-23, 2015 in Kunming, Yunnan, China. The book provides cutting-edge development and significant contributions to all major fields of wireless communication and network. The book will benefit global researchers and practitioners in the field.
