Essential Oils: Beginners guide on how you can detox your home in one day! 30 easy recipes for non-toxic cleaning products, all natural bath and body ... diffuser, lavender, lemon, peppermint.)

Easy Recipes, Simple Ingredients, Great for Beginners The push towards a green lifestyle includes the use of products less harmful to the environment with less risk to the individual. Essential oils have a long history, but today many people are just getting to know them. We wrote this eBook with you in mind so that you can learn about them and how valuable they are too. This is great news if you want to live a healthier life free of the thousands of chemicals used in everyday household and beauty products. Toxins and chemical additives in products are of real concern. Science consistently reveals yet another cancer-causing ingredient or a link to a disease or condition caused by these chemicals. Essential oils offer a healthy alternative. This eBook focuses on the use of essential oils for beauty and a healthy home. We include homemade recipes for common household cleaners, bath and beauty products and aromatherapy blends. This book includes... 12 Non-Toxic Cleaning Product Recipes 12 All Natural Bath & Beauty Product recipes 7 Aromatherapy Blends Take action now and get this Kindle book for only .99 cents?
