

22 Things a Woman with Aspergers Syndrome Wants Her Partner to Know

Rudy Simone covers 22 common areas of confusion for someone dating a female with AS and includes advice from her own experience and from other partners in real relationships. She talks with humour and honesty about the quirks and sensitivities that you may come across when getting to know your partner. All the pivotal relationship landmarks are discussed, including the first date, sex, and even having children. This entertaining and easy-to-read book will be ideal for anyone dating, or in a relationship with, an AS female. Women with AS themselves, and their families and friends, will also enjoy the book and find it useful. Counsellors and other professionals working with women with AS will find the insight offered extremely enlightening.
