

Katies Hero (Crimson Romance)

London, 1940 Katie's got a guilty secret and she's hiding out in London. Bombs are falling all around her, but she doesn't care if she lives or dies. Michael is a handsome young pilot who likes to play the hero, especially when there's a pretty girl involved. But duty calls him away, just when Katie needs him the most. Wounded and full of regrets, he's not sure she'll give him a second glance. Tom is a lovable rogue, or that's what he likes to think. He's touring the world at the Army's expense, but he's missing Katie more every day. Could he wrangle another chance with her - after everything he's done? Sensuality Level: Sensual
