

CCNA Routing and Switching Exam Cram Audio Review (Exam: 640-507)

Presents a learning system within the Certification Insider Press learning system, to maximize coverage of the topic. Includes 3 hours of lessons and study materials focused exclusively on the exam and based on the content of the CCNA Routing and Switching Exam Cram book. Contains an exclusive bonus tape providing one complete hour of essential last-minute review, practice questions, answers and explanations, tips and memory joggers. Provides a complete review of all key objectives covered on the CCNA Routing and Switching exam. Surveys of our readers told us that audio-tapes are beneficial for exam success, particularly for the busy professional preparing with self-study materials. Offers an affordable way to put the finishing touches on preparation for the actual exam.
