

The Probative Value of Testimony in Private Law:General Report Presented at the XIVth International Congress of Comparative Law, 31 July-6 August 1994 (Athens)

La valeur du temoignage en droit civil / The Probative Value of Testimony in Private Law brings together in one volume the national reports and the general report of the panel on testimony in private law which convened at the XIVth Conference on Comparative Law 1994. It gives an overview of probative value in the following countries: Australia, Belgium, Canada, Finland, France, Germany, Greece, Hungary, Iran, Italy, Rumania, Sweden, the Netherlands, U.K., and U.S.A. The general report ties all national reports together and tries to distinguish a common thread. The contributions are from distinguished scholars and practitioners in the field and the work is of interest to academics and practitioners.
