

A Black Mans Guide to Law Enforcement in America

When a police officer pulls over a male African American driver, the result is usually an arrest. In most cases, the charges have nothing to do with motor vehicle violations, and everything to do with racial profiling, and how the driver conducts himself. AA Black Mans Guide to Law Enforcement in America Atells you everything you need to know about dealing with racial bias among those bound to serve and protect. Youll learn...how to avoid getting stopped in the first placewhat to say when questioned, and how to say itwhat youll need to prepare for a court casehow to handle yourself in court...and much moreKnow the law, and know how to protect yourself. Armed with the information from this guide, youll have a far better chance of emerging unscathed when driving while black.
