

A Reluctant Witch in The Land of BDSM: Racked and Ravished Threeway (Anna Ixstassou, A Reluctant Witch in The Land of BDSM Book 4)

Anna Ixstassou is looking for the fast track to the top. Unfortunately, she found what she was looking for and is back for another session at the hands of her boss, Ewan Crest. The ensuing story is hot and sticky as Anna is inducted into the strange world of BDSM. She loves what she finds there...maybe, too much, in fact. A witch who just wants to be like everyone else, Anna exalts in the desire and lust that Ewan awakens within her, only hoping that she will not be forced to call upon black magic to save her before the point of no return. An excerpt: Ok...now come with me. I want to show you something. He pulled me by the arm, his thumb digging deeply into my forearm. I went with him, as willing as a rag doll. We went into the separate part of his office, the part that made it more living quarters, or a suite, even. Adjoining the next room was a bathroom with a shower and a toilet, all done in heavily veined marble. But in the middle of the piece, there was something that caught my eye and would not let go. Two small trapezes suspended in a frame of chromed tubing. There were a pair of stirrups with buckles and something else that looked suspiciously like a collar. He felt me draw up short as I looked the thing over. I think I probably shivered, although I can't say for certain anymore, so much of what followed has become a blur in my mind's eye. I had this made in Bangladesh. Special ordered, according to my specs, he said, the pride evident in his voice. I remained where I was, frozen, and hoping that whatever was about to happen wouldn't go on for too long....Anna's adventures continue in: A Reluctant Witch in The Land of BDSM: Shame and Delight at His Hands A Reluctant Witch in The Land of BDSM: Masked and Squirted Mayhem A Reluctant Witch in the Land of BDSM: Boxed and Bound in Paris Or, get all four stories in the following collection: Anna, Collected and Corrected (A Paranormal
