

A Shade of Dragon (Volume 1)

Book 1 of a trilogy Following the success of the million bestselling *A Shade of Vampire* series, Bella is back with a brand new story! Nineteen year old Penelope Nell OHara is geared up for the worst Christmas of her life. The guy shes been dating just dumped her for her best friend, and all she has to look forward to over the break is a stay in Beggars Hole--a tiny frozen town on the coast of Maine--with her retired father, his latest masseuse girlfriend and her brattish fourteen year old son. But one night, after storming out of dinner to take a brooding walk among the rocks, a misstep on the ice causes Nells Christmas to take rather a different turn... She would have died, were it not for a mysterious, heat-exuding hero arriving out of nowhere to scoop her up in his arms, and warm and dry her body. Coming to, Nell finds herself staring up into a pair of deep gold eyes. Eyes belonging to a man who is quite unlike any shes seen before. His features are chiseled yet sensual, exotic but somber, like something beautiful and wild threatened by extinction. All of six and a half feet tall, and two hundred plus pounds of pure muscle, her savior introduces himself as Theon Aena. His mere touch sends heat surging through her body, reaching down into her fingers and toes, even fluttering from her hair follicles, and his proximity to her brings about strange shudders of pleasure. After a twist of fate causes her to cross paths with Theon again, Nells drab, frozen Christmas soon spirals into a firestorm of passion, romance, revelations, and danger... Buynow!
