

A Shade of Kiev 3 (Volume 3)

The greatly anticipated conclusion to the Kiev stand-alone trilogy, from million-bestselling author Bella Forrest! After all that's happened, I thought I was past being surprised by Mona. But standing here by the lake, I realize I've barely scratched the surface. Her soul is blacker than I could have imagined. I thought I sought redemption. But now, I wonder if this darkness is what attracted me to her all along... Matteo's words ring in my ears: Of creatures who inhabit the darkness, there are two types. Those who revel in it, and those who fight to escape it. Which am I? Or which do I choose to be?
