

Freunde von Freunden: Friends (German and English Edition)

After the great success of Freunde von Freunden--Berlin, the interview magazine FvF now ventures outside the Berlin universe. A new book presents Freunde von Freunden--Friends: forty creatives before the backdrops of the cities where they live and work--Amsterdam, Barcelona, Beirut, Frankfurt, Helsinki, London, Los Angeles, Manila, Mexico City, New York City, Paris, San Francisco, Sao Paulo, Tokyo, Stockholm, and others. Once again, intimate shots of interiors are complemented by breathtaking glimpses of, say, the skylines of New York or Tokyo. Other portraits were taken in the countryside, in romantic settings surrounded by blossoming nature. The collaboration between photographers, editors, and networkers all over the world directed by FvF has produced highly personal and above all authentic insights into the international creative scene. The subjects are trendsetters like gallery operators, collectors, artists, photographers, bloggers, illustrators, architects, storeowners, and magazine editors. Brief informative notes about the sitters accompany the professional photographs.
