

Acrylic Landscapes In A Weekend

Acrylic Landscapes in a Weekend will have you painting in no time, with eight cleverly constructed projects that can be completed in just one weekend. Discover the versatility and accessibility of acrylics - how they can be used as watercolors on paper and as oil on canvas and many other surfaces including wood, china and glass. Each project features simple exercises to try on Saturday, and full step-by-step instructions for a finished painting on Sunday. An introduction to materials and gallery exercises help you take your skills to the next level.
