

Layer by Layer Acrylic Painting

With this unique method, each step of every lesson is shown as a separate layer. With this unique method, each step of every lesson is shown as a separate layer, making it amazingly easy to create beautiful acrylic paintings! With helpful hints on tools and materials and demonstrations of painting techniques, Acrylic Painting Layer by Layer demystifies this diverse medium for artists of every skill level. In this innovative method of step-by-step instruction, each stage of every project is accompanied by an isolated view of the painting that shows only the colors applied in that step. By focusing on each layer of paint individually, artists can instantly see what actions to take in each step of the painting. Packed full of beautiful acrylic landscapes and still lifes, this 128-page hardcover book is at home in the reference library or on the coffee table.
