

Gender Analysis in Papua New Guinea

In October 1996, The East Asia and Pacific Region developed a Regional Gender Action Plan that stressed the importance of country-specific strategies regarding gender issues. This report on gender in Papua New Guinea intends to lay the foundation for such a strategy. The report provides an outline of the key historical, economic, demographic, political, geographic, socio-cultural, legal and institutional issues that are relevant to understanding the status of women in Papua New Guinea today.
