

# Swear Words Coloring Book: A Swear, Funny and Stress Relieving Coloring Book for Adults

Warning: contains profanities, not intended for children. Relieve stress and have a laugh with these swear words placed on bold, easy to color patterns. A fun joke gift or for yourself, these are funny swear phrases that make a nice change from the usual flowers, cats, butterflies etc. Feel free to give to a female friend (no C word included), this is a mix of 24 US and UK swear words and phrases. Designs are printed on one side of the page on medium weight paper. Ideal for pencils/crayons or pastels, but to avoid bleed through if using markers/pens - it is also recommended to place a sheet of plain paper between the pages.
