

Adventures of Little Miss Notoriety

Lil Miss Belle Notoriety of Shagville Heights works for the law firm of Joseph Switzer and Assoc. She's a naughty little temptress who spends more time pulling down their clients' briefs than writing them! But she's more than just a play thing, this girl has needs of her own: Belle has toys and she's not afraid to use them! Mr. Switzer is a demanding man with as much control in the courtroom as the bedroom. But, he has found his match with Miss Notoriety! Secretly in love with her alpha-male boss, Belle is as likely to take a memo as she is to strap him down and make him beg. Come meet Belle in a world, all of her own, and find a cast of hilarious and sexy characters, such as Bruce the Butcher. Belle will literally blow your mind, given half the chance! Saucy minx! Adventures of Little Miss Notoriety contains adult themes, Boss/Secretary fantasy, F/F, F/M, BDSM, implied cheating, blackmail, male and female domination, male and female submission, dominatrix, anal sex, strap-ons, toys, lots of spankings, and is intended for a mature audience only. Approximately 8,000 words
