

## In Charge

Lily wakes up after a hard night partying with more than a hangover. Somehow during the night she has gone from a proud and perky B cup, to unfathomably firm porn star tits. And not only are they spoiling her dress lines, they seem to be taking over every aspect of her life. No matter how she resist, her breasts seem determined to show her just who is in charge. Who did this to her? Will she ever return to normal? And why do they feel so incredibly, mind numbingly good? Find out in this story of payback, and total loss of control.
