

## Corrections in America (10th Edition)

For courses in Introduction to Corrections, Institutional Corrections, and Crime and Punishment. Contemporary in look and feel, this leading text in corrections for over the past quarter century continues to explore the cutting edge of the corrections field. Addressing more topics in more detail than any other text of its kind, Corrections in America 10e covers everything from historical perspectives to the very latest programs and practices-carefully balancing current and past research, theories and applications, and practical examples and issues. Its clarity and well-designed learning features continue to make it a favorite with students, and its superior organization and pedagogical tools make it easy for instructors to adapt to any type of course.
