

## Boxing Lena (Lenas Journey Book 13)

Lena is devoted to her master. She is willing to do anything and everything required to become his lifelong concubine. However, when The Society sends its emissaries to take her and prepare her for her maiden rites, she wonders if she has the strength needed to get through the ordeal of submission. Can she submit to doing the bidding of any and every member of the exclusive club? They will do everything in their power to destroy her pride. Only then will she be able to be reborn as her master's priestess of love. Volume 13 of Lenas Journey
