

Four on One: Taken by Black Frenchmen

Angela has a big business meeting in France, but when the clients cancel on her, she heads to the beach. She enjoys the white sand and warm sun in her tiny bikini, but when she spots four black, naked French guys, she realizes its a nude beach! No clothes allowed, no matter what! The gang of gorgeous black Frenchmen offer to share their sunblock with Angela, and they insist on rubbing it onto her body. Angela learns about French culture as the beautiful black men take her hard and fast on the shore, and soon a crowd of excited onlookers gathers to watch the fun. This nude beach only has two rules: no clothes, and no protection.
