

## How To Draw Cartoons (Fixed Layout Edition)

How To Draw Cartoons: This book helps you learn how to draw a variety of amusing cartoon characters and animals, from kooky cats to anthropomorphic cars, and combine them to make eye-catching, entertaining scenes. The How to Draw series takes a highly visual and practical approach to drawing, featuring step-by-step instructions for each art project. Duotone lines highlight each step. Each title covers a comprehensive range of rudimentary techniques - with sections on materials, composition and perspective. The How To Draw series is an excellent way to introduce the concepts of drawing to child and adult alike.
