

Uniting the Clans (Highland Loyalties Trilogy Book 2)

Author Veronica Bale continues her debut trilogy with the anticipated second volume in the Highland Loyalties series. Robert MacGillivray, chief of Clan Gillivray and outlaw, has fled his former home of Dunloch Castle to avoid capture by Lord Reginald DAubrey, the English baron who has sworn to bring him down. His departure leaves the young and naive Jane Sewell, Robbies love ... and Lord Reginalds English bride, vulnerable. Day after day Jane waits for word of Robbie, growing more and more despondent when nothing is to be heard - until the day that Robert MacGillivray resurfaces in a bold and daring move to reunite and strengthen his clan. What does this bold move mean for Jane? Will her loyalties remain with Lord Reginald as her husband, or will she find them swaying towards Robbie once more?
