

Futa University 3 - A Night Together (Futanari, domination, fantasy, college erotica)

Pinky and Trixie, our FUTA pledges, decide to go away for the weekend and leave Nathan to himself. By Sunday night he is missing both of them and texts the girls to see if he could stay the night. The girls think it is cute that Nathan is begging to come over. They were planning on a quiet evening alone but decide to let Nathan stay the night as long as he agrees that they call the shots. When Nathan enters their room he find out the girls have something special planned and Nathan gets to watch. The action moves to the shower but once again Nathan gets to WATCH. and clean up afterwards. The girls show him some love and affection when it is all over but Nathan learns a valuable lesson in the process. The girls asked Nathan to wait outside for just a minute or two so that they could get ready making Nathan look very upset. When the girls closed the door to their dorm room, they quickly changed. Pinky slipped outside to speak with Nathan while Trixie finished getting ready. So, Nathan, how are you? G-g-good. Just good? What did you do all weekend without us? I missed you and I could not wait another day. I am sorry if I texted you too much. Thats ok Nathan. We think you are far too cute. Do you know we fight over who is going to keep you after graduation? I feel like a lucky guy. You are Nathan. Oh, there is the knock from Trixie. She is ready. When you step foot through that door, your luck will have run out. The door opened and Nathans eyes shot open as Trixie pulled Nathan inside.
