

PowerPoint 2007 Coursecard + Certblaster (Coursecards)

Like all of Office 2007, this version of PowerPoint looks quite a bit different than previous version, so this card will be handy even for the experienced PowerPoint user. Basic topics include creating and saving presentations and working with previous file formats, drawing and formatting objects, and formatting slide content. Advanced topics cover working with tables and charts, slide masters, animations and transitions, and PowerPoint options. The quick reference displays and describes the commands on the new ribbon tabs. Top Productivity Tips and Solutions help you get the most out of PowerPoint. Purchase of this CourseCARD entitles you to one free download of the CertBlaster exam prep software for PowerPoint 2007. CertBlaster provides integrated knowledge assessment, a personalized study path, and simulations to prepare you for exam day.

Need a Custom Solution? All of our quick-reference guides can be branded or customized to meet your organizations needs.
