

The Doctors Enema Girl (Medical BDSM Enema Erotica)

You aren't supposed to be excited about an enema are you?... Trace is everything that a woman could want in a man. He was a doctor, handsome, caring, you couldn't ask for a better guy. Jenna knew that, she knew it better than she wanted to admit, but she'd be damned if she told him. Trace likes Jenna. Just her presence in the room has an effect on him. But he couldn't tell her that. What about his oath to be a professional? What if she finds out the truth? Wouldn't his career be over? Life has a strange way of showing people the light. It also reveals things that you might not expect. Jenna finds out that Trace has a strange fetish for giving enemas. Now what she has to figure out, is if what she is feeling about finding this out is worry, or excitement
