

Anything for the A: Rough Menage with Teachers

One tease, 3 professors, and a boyfriend who can do nothing but watch as his girlfriend is taken by every single one of them. Brittany Brooks is the biggest tease in school and she is used to getting her way especially since she's known one of her teachers since she was a baby. Now, she needs her teachers help with getting into an ivy league. Except her teachers won't help her not without making her pay the price for teasing them all those years. She wants an A in her course? Well, they want the A, too along with every single one of her holes. And they're going to take her rough and without protection, whether she likes it or not--while Brittany's boyfriend watches.
