

Cut the Glut of E-Mail

Are you overwhelmed by a glut of e-mail filling up your in-basket? Frustrated by spammers sending you junk mail? Productivity expert Mark Ellwood shows you how to make your e-mail work for you, rather than you working for it. You don't have to be a technology wizard. Just apply these simple, common sense tips and techniques. You'll discover dozens of innovative ideas that you can apply right away. Reduce the time you spend on unnecessary e-mail and find more time for the things that count.
