

Bound to Him, Part 1 (The Billionaires Beck and Call, Book 2 - Bound to)

This is the much anticipated sequel to the top 100 erotica best-seller, *The Billionaires Beck and Call*. Isabeau is more content than she's ever been, loving and living with Chase Drake, her husband and dominant master. But when her younger sister, Lucy, shows up at her doorstep, she knows trouble is on the horizon. Their brother Alex is in deep again with the bad crowd he runs with, but this time, Lucy doesn't have the money to bail him out. When Chase Drake's old friend and fellow dom Maxwell Pierce comes to visit, he is instantly enchanted by the meek, beautiful Lucy Willcox. When he overhears her talking to Isabeau about needing money in a hurry, he offers her a job on the spot, as his personal assistant. He'd come to get a recommendation from Chase, because his assistants are different from your run-of-the-mill secretaries in more ways than one... If Lucy takes the job, she'll be at his Beck and Call 24/7, bound to him, and to all that the job requires. Is she desperate enough to enter this strange contract with such a frightening, but charming, man? And does she have a choice if it means saving her brother? This 10,000 word story is the first part of the sequel to the best-selling series, *The Billionaires Beck and Call*, by Delilah Fawkes.
