

Fashion and Food: Relax in the Shade Adult Coloring Book, Vol. 2 (Relax in the Shade Adult Coloring Books) (Volume 2)

Relax in the Shade Adult Coloring Books bring volume and depth to the coloring experience. Values of light to dark in the line drawings allow the colorist to practice blending and shading. Included are 24 beautiful images with plenty of room provided to add your own ideas. The back of each picture is blank to allow each drawing to be removed and framed or gifted. Both portrait and landscape images are also included. Get your crayons, colored pencils, or markers and relax, de-stress and express your inner artist.
