

Awakening the Alpha: BBW Paranormal Shape Shifter Romance (Wolf Valley Raiders Book 4)

Will Wolf Valley finally have an Alpha? Riley is convinced that if he can find his mate he will finally be able to restore order to Wolf Valley. So when he meets his mate for the first time, and she refuses to change from wolf to human, he is understandably disappointed. Why is she hiding from him? Natalie ran away. A thing she has done for many years. But will the pull of her mate, finally get her to face up to the heart ache of the past? Only when these two wolf shifters come together, will Wolf Valley stand a chance of avoiding the danger that threatens, when an old adversary returns.
