

Lords of the Hill: BBW Paranormal Shapeshifter Romance (Smut-Shorties Book 2)

Smut-Shorties: A great on-the-go short to satisfy your craving for smut! One sexy BBW and two hot alphas = a night of hot passion never to be forgotten. Nat was warned to stay away from the Manor on the hill. She was warned about the wolves that protected their village...warned that women who caught their eye were known to go missing. Did she listen? Hell no. Why should she listen to old wives tales when no one had seen the Langdon Wolves, the last of their line, for years? They were probably dead by now, and even if they werent she wasnt a werewolf. Not really. Her family had been human since her great-great grandmothers time. But wolves are long-lived, particularly the Stone-Wolf Langdon alphas. When she steps onto Langdon land, she finds out the punishment for trespassing is a hot night of passion with two alpha males. **Please be aware that this is a romance short**
