

## Dancing Bearback (BBW Shifter Cowboy Western Romance) (Bear Ranchers Book 3)

Special Launch Sale! \$2.99 \$0.99 for a limited time. Willow Davenport and her family have always loved the wild west. They love it so much, they sing and dance in their own Western themed show. Always on the hunt to expand their holdings, they are elated when the ranch next door goes on sale. They jump on the chance to buy it. Only they aren't the only ones. Tyler Crowe, a Bear Shifter cowhand, is also interested, as are a couple of werewolves. On a tour of the place Tyler and Willow find themselves hopelessly attracted to each other. How can they bid against each other now? Luckily it's not up to them to decide who gets the farm. Tyler will have to decide if he will tell her secret. Will she still love him when she finds out he's a bear? When the bidding war starts who can keep their heads? Tyler and Willow need to keep theirs or risk losing everything. This 14,000+ word novella has Hot Western Bear Shifter action, a Happily Ever After, no cheating and no cliffhangers! I've attached some free stories afterward as my thanks to you.
