

## At His Pleasure: Training Addie (Billionaire Bondage Erotica 1)

Eighteen-year-old Addie lands an internship with the mysterious and powerful Jon Banks. Night and day, Addie struggles to fulfill Mr. Bankss demands. But when the innocent intern discovers a naughty bondage video on her boss's office computer, Addie can hardly believe what she's seeing: hot young women being tied and teased by older men.

As Mr. Banks strips away her defenses and forces her to obey, will Addie submit to his secret desires? This steamy 8,000 word story features bondage, spanking, masturbation, and white hot action in the office. \* \* \* His hand grabbed my chin and forced me to look at him. Get up, he growled. Still in my heels, I wobbled as I stood up. The desk, he snapped. Lean over it. Adrenaline flooded my senses. What was he planning to do? I did as he ordered, feeling the corners of the desk bite into my midsection as I leaned up against it. I jumped when I felt his hand between my shoulder blades, pushing me all the way down onto the desk until my face was lying against the cold, shiny wood. So, he said, his tone neutral now. I see that you enjoy things that are a little rough. His hand moved down to my waist, tightening. In that case, maybe this won't be such a bad punishment for you. A firm slap exploded across my backside, and I gasped, my cheeks red-hot against the desk. A good girl like you, he murmured to me in his rough, baritone voice, should know better than to be so naughty with her boss's things.
