

The Daemon Paranormal Romance Chronicles - Vol. 1, Books 1 to 5

A Paranormal Romance Story The Daemons have been around for thousands of years. With the passing of time, they have splintered off into specialized factions that possess unique powers and skills. Throughout history, they have waged wars, developed alliances, and broken truces. Now, they remain hidden from normal society. The Daemons believe that a new leader will arise to unite all the factions and end the infighting. Mounting tensions to find the new leader are causing the opposite effect and threaten to expose the existence of the Daemons to the entire world. This is their chronicle of romance, deception and sacrifice. ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** The box set is available for Books 1 to 5 Book 1 - The Awakening The stranger was telling her things about her life that she didnt even know. Phoebe can read minds but she was never able to read her back story. All her life, Phoebe thought she was an orphan when she actually wasnt. That discovery came through Apollo, a handsome visitor of her fortune-telling shop. This ravishing hunk of a man was about to change Phoebes mediocre existence. As it turned out, Phoebes mom is still alive but in a mental institution. As if that wasnt shocking enough, Phoebe learned that she came from a family of daemons. But the most exciting part of all? Phoebe read Apollos mind and saw the two of them devouring each other in bed. Apollo sought Phoebe for a reason: he needed her help in finding the elusive Qilin. Qilin is a daemon, just like them, who has to be sacrificed to attain unity among daemons. Follow Apollo and Phoebes quest to find Qilin just as they find each other to love and make love with. Book 2 - The Shifter After meeting the stranger, Apollo, Phoebe thought she had sorted out the issues in her life. Once her

mission was completed, a new leader was supposed to emerge. Instead, she was faced with a double-cross in the hands of both her long-time friend and her lover. How could they do this to her? Not able to trust anyone, Phoebe took the only option available to her. Withdraw and hide.

Now it was up to Supay to persuade Phoebe to help make peace among the Daemons. Book 3 - Forgotten Phoebe learns the truth about her past and why her mother gave her up at a young age. Just recently she learned she was descended from an ancient line of daemons. Now there was infighting among the daemons. Phoebe has to help Apollo become the leader to bring peace to their kind.

Together with Supay, Phoebe meets with another daemon named Juno. It is believed that Juno is the one behind the conflicts.

Will Phoebe and Supay be able to convince Juno to change her disruptive ways? Or will Junos craftiness turn the tables on the unsuspecting couple? Book 4 - The Sirens Trap The unsuspecting couple, Phoebe and Supay, made a deal with Juno to stop the infighting among the daemons. But at what price? An entire year was wiped clean from Pheobes mind. Now Phoebe was with Apollo. Desperate to get her back, Supay considers Junos new deal. Is it worth the price to pay for the dubious result? To win back Phoebes love, Supay will need to be unfaithful to her. What does Supay decide to do? Book 5 - Exposed Hiding away in Peru, Supay and Phoebe start their own family, away from the chaos and the daemon infighting. Meanwhile, Apollo, heart-broken and lost, is lured into another one of Junos schemes. Making deals with a siren never turns out right. If Apollo accepts the deal, the love of his life may resent him for the rest of his natural life. If he didnt take the deal, she is lost to him forever. Find out what path Apollo takes to ease his pain.
