

Beasts of Gor (Gorean Saga Book 12)

The fight for survival on the primitive, Earth-like world Gor continues with a ferocity that matches the rest of the series. On Gor, there are three different kinds of beings that are labeled beasts: the Kurii, a monster alien race that is preparing to invade Gor from space; Gorean warriors, who fight with viciousness almost primitive in its bloodlust; and then there are the slave girls of Gor, lowly beasts for men to treat as they see fit, be it as objects of labor or desire. Now all three come together as the Kurii fight to take over Gor with its first beachhead on the planet's polar ice cap. As all three kinds of beasts struggle together, an incredible adventure is told, one that begins in lands of burning heat and ends up in the bitter cold of the polar north among the savage red hunters of the polar ice pack. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Beasts of Gor is the 12th book in the Gorean Saga, but you may enjoy reading the series in any order.
