

Bought and Sold at the Billionaires Sex Club

The much-anticipated sequel to *Captive at the Billionaires Sex Club*. When Kate Vale signed up with the Billionaires Sex Club she thought she knew what was in store. Endless days fulfilling the sexual fantasies of the super-rich, a world of depravity, of pure unbridled lust: a world of control and submission, of pleasure and pain, a world where the boundaries between the pleasure and the pain blurred, shifted, vanished. She thought it was a chance to get closer to the club's owner, Connor Stark. He had chosen her, after all: he had spotted her when she was only a waitress, and he had pursued her until she had signed up. What she didn't realise was that her contract could be traded like a commodity. She could be put up at auction, sold to the highest bidder, and when you're signed up to the Billionaires Sex Club, the stakes can get very high indeed. An explicit novelette of bondage, dubious consent, multiple partners and more from the bestselling author of *Bad Again* and *Captive at the Billionaires Sex Club*.
