Practical iPad Guide For Seniors : Getting Started Learn how to use the iPad Quickly & Effortlessly A simple and practical iPad instruction guide to get you started with iPad. Learn how to setup and get started with your iPad by following step-by-step guide with tap-by-tap instructions. Here's some of what you will learn: Setup your iPad for the first time, Different finger gestures and what different buttons do, Multitasking like a pro, Protecting your information by using different safety features in your iPad, Setting up iCloud and much more ...??? Missing iPad Manual ? Its Not Your Fault You bought an iPad or got a present of one right? But why didnt it come with instructions ? Because your iPad is highly intuitive. Well the truth is folks at Apple want you to figure it out yourself but you and I both know thats easier said than done right? I know how frustrating it can be. Admit to yourself that youve already struggled a bit figuring out some stuff on your iPad. I have come across and helped hundreds of frustrated and confused iPad users in my previous job as an Apple workshop instructor. Now, I can save you all that time by quickly showing you how to do EVERYTHING you want to do with your iPad.??? Free Gifts This book also comes with a Free Gift (10 free gifts actually). You get access to 10 step-by-step video lessons with tap-by-tap instructions. Dive into the book and learn everything you need to know about your iPad to get you started.
