

Behind Blue Eyes: Hells Vipers, Book Two

Authors warning: This is an erotic novel about a one percent motorcycle club known as the Hells Vipers. It contains sex, interracial relationships, violence and even kinkier sex. If you are looking for an erotic version of The Notebook, this book is not for you. However, if you love kinky, motorcycle-riding, dominant alpha males who sometimes find the need to resort to violence, then enjoy! Blood might mean you're related, but it doesn't mean you're family. When Nukes brother shows up at the Hells Vipers Motorcycle Club, he brings trouble with him, in more ways than one. Holden was always the good son, or so Nukes family thought, but Nuke knows some things his mother and sister don't. The love of Nukes life, Jasmine, knows something is wrong as soon as Holden comes back into Nukes life. As Nuke struggles with the responsibilities that have come with his new position in the Hells Vipers, Holdens presence threatens to undermine his position and his relationship. Lifes gotten difficult for other members of the club, too. Hells Vipers full patch member Kevin has given up his position in the club in the aftermath of a betrayal that has left him bitter, and Pipe looks for love as he copes with a dangerous crush. Meanwhile, just what is Holden up to? And can Nuke and Jasmine survive whats in store when Nukes blood relative comes into their lives as they're trying to form a family of their own?
