

West's Advanced Topics and Contemporary Issues: Expanded Coverage for West's Business Law West's Legal Environment of Business

Explicitly addresses the AACSB's legal environment curriculum requirements regarding ethical, global, political, economic, social, environmental, technological, cultural, and demographic issues. Integrated throughout each chapter are both fully edited and summarized cases that illustrate specific points of law. A unique mix of features including exhibits, profiles, quotations, changing perspectives in business, and landmarks in the legal and regulatory environment illustrate for students how the legal and regulatory environment touches and is touched by every aspect of life.
