

# Big Bad Booty Bitch Whoops Some Ass: The Worlds First Pornstar Superhero (Volume 1)

She used to be one of the worlds biggest porn stars. Now shes a bonafide superhero, fighting crime at night and signing autographs by day at comic book conventions (and getting almost as much action as she did in the porn world). But when a powerful crimelord puts a bounty on her head (and the heads of her two new lovers), the Big Bad Booty Bitch starts to wonder if trading in her leather lingerie for a cape was a fatal mistake. In this raunchy, erotic, action-packed debut series, readers are introduced to one of the unlikeliest heroines in the history of literature. She drinks, smokes weed, curses incessantly, loves sex, loves chocolate even more, and likes to punch first and ask questions never. Beneath that tough and sexy exterior, however, the Big Bad Booty Bitch genuinely seeks to right wrongs and exact justice. She just doesnt do a very good job at it. In the words of one of her many enemies, the Big Bad Booty Bitch is like a female James Bond, but without the class, style, and integrity. She may be the last person youd want saving your hide, but shes a blast to have a drink with.
