

Saving Kitty (The Rescue Series) (Volume 3)

Set at the end of the 19th century, *Saving Kitty* continues the romantic tale of American Jack Wilde, an officer in the British cavalry, and Kitty O'Keefe, an intrepid newspaper reporter and penny-dreadful writer. Unfortunately, Kitty is being forced to return to England and face the cruel father she has feared for years, while Jack remains behind to hunt down a most dangerous Indian rebel. Will Jack chase after Kitty as she returns to the Yorkshire estate she hasn't seen since her childhood, or will he fail to be the hero she so desperately loves and needs? If not Jack, who will be *Saving Kitty*?
