

Taken by my Shifter Billionaire Stepbrother and his Motorcycle Club (of Vampires) (BBW Shifter Orgy Romance) (Soraya Surreal book 1))

There's a curse on my family. We don't talk about it with outsiders. I've lived my life flitting from man to man, unable to spend more than one night with any of them. I never really wanted to, until I met Duke. He's rich. He's gorgeous. He's a werewolf. But our personal relationship has been complicated by a recent wedding. After one night together, I need more. I'll risk the curse to get what I crave. But Duke has a better idea. We can be together--maybe forever--but only if I'm initiated into his motorcycle gang of vampires. The Surreal Sisters are a family hopelessly tangled up in paranormal mischief. Surreal Sisters stories are all standalone tales, but reading them all in a row sure is fun.
