

Cabin Bound: Part I (Rough Sex Erotica)

Warning: This 4600 word story contains scenes of graphic sexual nature and it is written for adults only(18+). Description: Morrene is hiking in the woods when a storm forces her to take shelter in a cabin. She starts a fire and makes herself comfortable in the abandoned cabin. What she doesnt realize is that the cabin is not abandoned, and the owner is set to return soon. When he does, how will she pay for her night in the cabin? Excerpt: Please dont. The same phrase she had uttered before seemed just as helpless now and she craned back to try and see his face behind her. Her hands were stretched out ahead and pinned with a single one of his. Clearly he outmatched her in strength and his weight was no match for her sore and tired body. In fact, you were enjoying this. His fingers skimmed gently down her side causing her to jump a little. He cupped her bare buttock in one hand and gave it a squeeze. Morrene attempted to struggle away from the touch but was pinned down. You owe me payment Morrene and I intend to collect.
